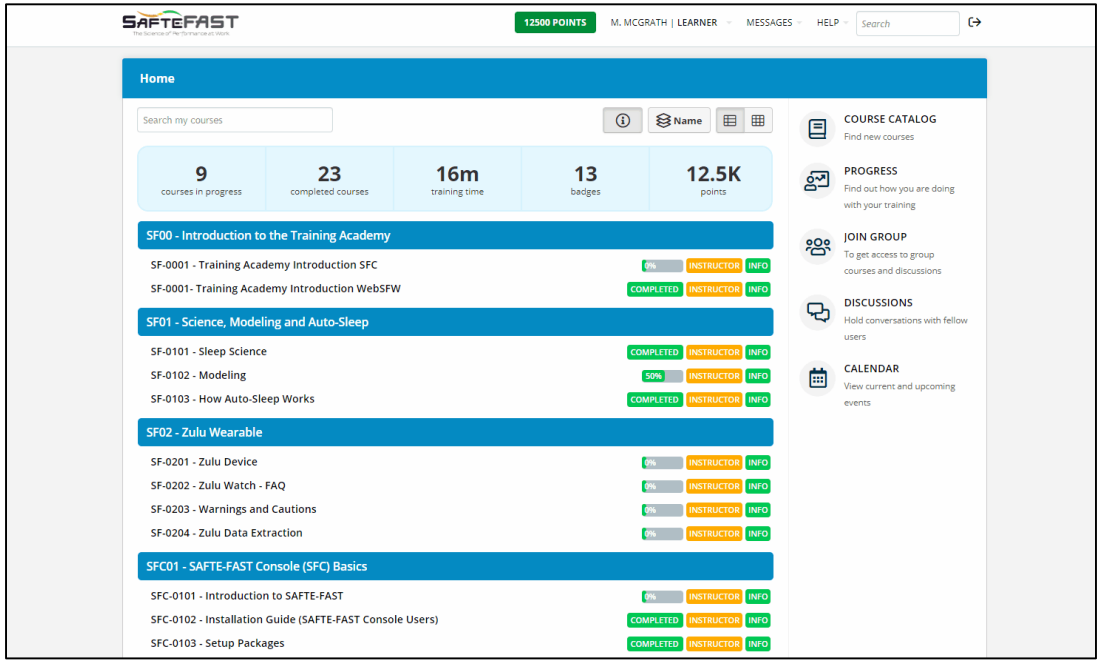
INSTITUTES FOR BEHAVIOR RESOURCES, INC.
shaping a better world

Training Academy Overview

- A Learning Management System (LMS)
- Computer Based Training (CBT) platform
- Over 30 training courses
- Complementary tool for new employees ahead of their training
- Can be used as part of recurrent training
- All video content can be loaded to another LMS via a SCORM pack
- All videos are .MP4 files



Benefits

- Learn at your own pace when it’s convenient
- Trainers can train to on-the-job tasks instead of basic software concepts
- Consistent IBR messaging and course updates
- Easy to review content
- Quicker and easier onboarding
